

The difference is in the details.

Simpson gives you all these standard profiles to choose from as starting points, and custom profiles are also available. However, custom sticking, panel and molding tooling development may require longer lead times.

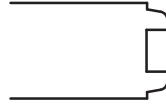

Sticking Profiles

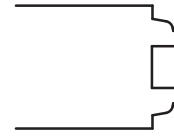

1 3/8" Ovolo Sticking

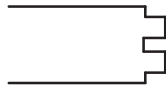

1 3/4" Ovolo Sticking

1 3/4" - 1/2" ViewSaver®

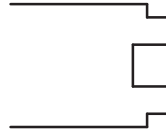

2 1/4" - 1/2" ViewSaver®

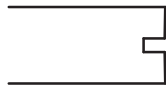

1 3/8" Step Shaker
1/4" Panel

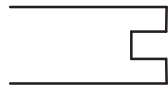

1 3/4" Step Shaker
3/4" Panel

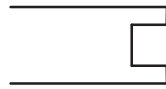

2 1/4" Step Shaker
3/4" Panel

1 3/8" Shaker
1/4" Panel

1 3/8" Shaker
1/2" Panel

1 3/8" Shaker
3/4" Panel

1 3/4" Shaker
3/4" Panel

Panel Profiles

9/16"

1 1/4" Innerbond®
Caprice Raise

1/4" Flat Panel

Advent® Raise #1

3/4"

Chateau
Raised Molding 1 Side

1/2" Flat Panel

Advent® Raise #3

7/8" Innerbond®

Chateau
Raised Molding 2 Sides

3/4" Flat Panel

1 7/16" Energy
